## YANKEE CHALLENGE REGATTA 2004 RESULTS

This is the information I received from Doug Kenyon.

I believe the final score is Crystal Lake 123 vs. Webster Lake 111. Congratulations go to the Webster team.

The top three individual scores were:

Doug Kenyon (DaySailer) (2-2-1) 3 Points

Bob Ciabaszewski (Gemini) (3-3-2) 8 Points

Steve Langford (Sunfish) (1-4-3) 8 Points

Doug Indemaur (Sunfish) (4-1-4) 9 Points

The racing was so tight at the top levels that using the usual interpolated conversion of seconds to decimal minutes proved inadequate. I had to calculate it to 3 decimal places before applying the handicap factor as several positions were won by a few hundredths (in at least one case a few thousandths) of a minute.
